

Landmark Plastic Corporation Promotes Randall V. Gaj to Vice President & Chief Financial Officer

For Immediate Release

January 11, 2006 – Akron, Ohio – Landmark Plastic Corporation announced today the promotion of Randall V. Gaj to Vice President, & Chief Financial Officer. Mr. Gaj previously was Vice President, & Controller of the Company.

Gerald D. Stethem, President, & Chief Operating Officer of Landmark Plastic Corporation stated, “Since joining Landmark in early 2004, Randy has implemented World Class financial reporting functions for the company including cash planning and treasury management. He has also helped in substantially improving our relationships with vendors while also working with the Operations Team to assist in cost control activities. Randy’s promotion expands his responsibilities and contributions to Landmark Plastic Corporation.”

Mr. Stethem added, “Randy’s background, management style and positive attitude will allow Landmark Plastic Corporation to continue to grow as a World Class Organization for years to come.”

Prior to joining Landmark, Mr. Gaj served as Treasurer for five years with NCS HealthCare, Inc., a publicly held national distributor of pharmaceutical products. Previously, Mr. Gaj held senior financial management positions during a twenty year period with United Screw & Bolt Corporation, Sealy Corporation & Hauserman Incorporated. He began his career with KPMG Peat Marwick.

Landmark Plastic Corporation is a leader in the horticultural packaging products industry. The Company is involved in the design, manufacturing and distribution of plastic containers used to grow and store plants of all sizes and shapes. Landmark offers the most extensive line of thermoformed and injection molded horticultural packaging products in the industry.
