

### **Warren Trettien Joins Landmark Plastic Corporation**

It is our pleasure to announce the addition of Warren Trettien as the new Regional Sales Manager for the Northeast Region, effective November 28, 2005.

Warren has nearly thirty years in the greenhouse industry with an emphasis on sales since the early eighties. While at Asgrow, now ProSource One, Warren was integral in growing the Landmark Plastic brand in Central Florida throughout the nineties. While at Asgrow, Warren was invited to the prestigious Upjohn Sales Academy for sales excellence twice. Most recently Warren has been employed by Shemin's Nursery in the Baltimore, MD area.

Warren has a Bachelor of Arts from Florida Atlantic University and currently resides in the Baltimore area. He will be responsible for distributor sales in New England, the MidAtlantic states and Eastern Canada.
