

Landmark Plastic Corporation adds Schaefer to its Sales Force

Akron, OH – November 21, 2007 - Landmark Plastic Corporation, a leading manufacturer of thermoformed and injection molded horticulture products, announced that Richard Schaefer has joined the company as a Sales Representative.

Rich received a Bachelor of Science in Business Management from Indiana University of Pennsylvania in Indiana, Pennsylvania. Rich's employment history has crossed several industries, from manufacturing to service, with over 20 years of sales experience. Most recently, Rich was a Sales Representative for Pearl Abrasive Company out of Commerce, California.

According to Jim Frederick, Landmark's National Account Representative, "Rich has a great desire to service customers and is very attentive to their needs. With the addition of Rich to the sales team, Landmark will broaden our scope of personnel contacts, increase sales territories, and provide additional resources for our customers."

Landmark Plastic Corporation is a leading manufacturer involved in the design, manufacturing and distribution of thermoformed and injection molded plant packaging products, from trays, packs and flats to hanging baskets and decorative pots. Landmark Plastic Corporation has manufacturing, warehousing and distribution facilities located in its 200,000 square foot state-of-the-art headquarters in Akron, Ohio. From this facility, Landmark has a North American distribution footprint and serves international customers in Asia, South America and Europe.

Landmark has everything under one roof that customers need to move from concept to finished product. These capabilities include advanced materials testing procedures, computer automated design, extrusion, thermoforming and injection molding capability and a quality control program that involves the entire organization. Certified to ISO 9001:2000, with Design, Landmark's products are distributed throughout North America and locations around the world.
